8 On page 8, lines 1 through 8, delete subdivision (1)
9 in its entirety and insert in lieu thereof the following
10 subdivision (1):

11 (1) ALTERNATIVE FUEL VEHICLE. A vehicle that runs
12 solely on natural gas or any energy source other than gasoline
13 or diesel fuel or operates pursuant to any technology of
14 powering an engine that does not involve petroleum, which
15 includes, but is not limited to, an electric vehicle or solar
16 powered vehicle. The term does not include any vehicle that is
17 not registered for operation on public roads or highways.
