FISCAL NOTE

House Bill 234 (Act 2022-432) as enacted would increase the administrative obligations of the Alcoholic Beverage Control (ABC) Board to require the board to establish and issue licenses to food or beverage trucks in Class 1 municipalities to sell alcoholic beverages for on-premises consumption in an established entertainment district. This increase in obligations could be offset, wholly or in part, by certain license fees collected and retained by the board. This act could also increase receipts to the State General Fund up to \$300 for each food or beverage truck license fee collected due to the provisions of this act, in addition to any other applicable application or renewal fee.
