House Bill 52

Committee: Ways and Means General Fund

Sponsor: Representative Barbara Drummond

Analyst: Peter Grogan

Date: 03/16/2023

House Bill 52 as introduced would require the Board of Pardons and Paroles to designate one residential transition center as a women's facility, if the Board establishes any residential transition centers as provided by current law. This bill would increase the obligations of the Board, by an undetermined amount, to establish and maintain this women's facility, as the Board currently operates a men's residential transition center.
