Senate Bill 272 as introduced could increase receipts to the State General Fund from fines, and increase receipts to the State General Fund, county general funds, municipal general funds, and other funds to which court costs are deposited, dependent upon the number of persons charged with and convicted of the offenses provide by this bill and the penalties imposed.

In addition, this bill could increase the administrative obligations of the Alabama State Law Enforcement Agency and the Department of Conservation and Natural Resources to notify the public of the requirements and prohibitions provided by this bill.
