Senate Bill 56

Committee: Education Policy

Sponsor: Senator Arthur Orr

Analyst: John Friedenreich

Date: 03/21/2023

Senate Bill 56 as reported by the Committee on Education Policy could increase the obligations of local boards of education that install, operate, and maintain audio and video recording equipment in classrooms in which at least half of the students in regular attendance are provided special education services. This increased obligation could be offset in whole or in part by any funding made available from donations to the local boards of education for the purpose of placing and operating video camera pursuant to this bill.
