

## FISCAL NOTE

### Senate Bill 56

Committee: Education Policy

Sponsor: Senator Arthur Orr

Analyst: John Friedenreich

Date: 03/20/2023

---

**Senate Bill 56** as introduced would increase the obligations of local boards of education, by an undetermined amount, to install, operate, and maintain audio and video recording equipment in classrooms in which at least half of the students in regular attendance are provided special education services.
