(Reference to printed bill)

1 Page 1, strike lines 2 through 31

2 Renumber to conform

3 Page 2, after line 27, insert:

4 "Sec. 2. Active management area safe yield report; director of
5 water resources; groundwater users advisory council

6 For any active management area that has a goal of safe yield by 2025
7 and that is projected to fail to meet that goal, the director of water
8 resources shall present to the legislature on or before January 1, 2013 a
9 report that identifies the conditions that contribute to the projected
10 failure of the active management area to meet its goal of safe yield and
11 makes recommendations for any statutory or regulatory changes that the
12 director determines are necessary for achieving safe yield by 2025. In
13 developing the report, the director shall consider comments from any
14 interested party, including the groundwater users advisory council for the
15 active management area."

16 Amend title to conform
