30 school. This paragraph does not limit or preclude the reporting by a school
31 district or an employee of a school district of suspected crimes other than
32 those required to be reported by this paragraph. For the purposes of this

1 paragraph, "dangerous instrument", "deadly weapon" and "serious physical
2 injury" have the same meanings prescribed in section 13-105.

3 32. In conjunction with local law enforcement agencies and local
4 medical facilities, develop an emergency response plan for each school in the
5 school district in accordance with minimum standards developed jointly by the
6 department of education and the division of emergency management within the

8 33. Provide written notice to the parents or guardians of all students
9 affected in the school district at least thirty days prior to a public

11 shall include the reasons for the proposed closure and the time and place of
12 the meeting. The governing board shall fix a time for a public meeting on
13 the proposed closure no less than thirty days before voting in a public
14 meeting to close the school. The school district governing board shall give
15 notice of the time and place of the meeting. At the time and place
16 designated in the notice, the school district governing board shall hear
17 reasons for or against closing the school. The school district governing

26 practitioner licensed and certified pursuant to title 32, chapter 15 to carry
27 and self-administer emergency medications, including auto-injectable
28 epinephrine, while at school and at school sponsored activities. The pupil's
29 name on the prescription label on the medication container or on the
30 medication device and annual written documentation from the pupil's parent or
31 guardian to the school that authorizes possession and self-administration is
32 sufficient proof that the pupil is entitled to the possession and

1 self-administration of the medication. The policies shall require a pupil
2 who uses auto-injectable epinephrine while at school and at school sponsored
3 activities to notify the nurse or the designated school staff person of the
4 use of the medication as soon as practicable. A school district and its
5 employees are immune from civil liability with respect to all decisions made
6 and actions taken that are based on good faith implementation of the
7 requirements of this paragraph, except in cases of wanton or wilful neglect.

12 medication container or on the handheld inhaler device and annual written
13 documentation from the pupil's parent or guardian to the school that
14 authorizes possession and self-administration shall be sufficient proof that
15 the pupil is entitled to the possession and self-administration of the
16 medication. A school district and its employees are immune from civil
17 liability with respect to all decisions made and actions taken that are based
18 on a good faith implementation of the requirements of this paragraph.

19 37. Prescribe and enforce policies and procedures to prohibit pupils

25 (b) A procedure for parents and guardians of pupils to submit written
26 reports to school officials of suspected incidents of harassment,
27 intimidation or bullying.

28 (c) A requirement that school district employees report suspected
29 incidents of harassment, intimidation or bullying to the appropriate school
30 official.

31 (d) A formal process for the documentation of reported incidents of
32 harassment, intimidation or bullying and for the confidentiality, maintenance

1 and disposition of this documentation. If a school maintains documentation
2 of reported incidents of harassment, intimidation or bullying, the school
3 shall not use that documentation to impose disciplinary action unless the
4 appropriate school official has investigated and determined that the reported
5 incidents of harassment, intimidation or bullying occurred.

6 (e) A formal process for the investigation by the appropriate school
7 officials of suspected incidents of harassment, intimidation or bullying.

8 (f) Disciplinary procedures for pupils who have admitted or been found
9 to have committed incidents of harassment, intimidation or bullying.

10 (g) A procedure that sets forth consequences for submitting false
11 reports of incidents of harassment, intimidation or bullying.

12 38. Prescribe and enforce policies and procedures regarding changing or
13 adopting attendance boundaries that include the following components:

19 the attendance boundary changes.

20 (d) A process for placing public meeting notices and proposed maps on
21 the school district's website for public review, if the school district
22 maintains a website.

23 (e) A formal process for presenting the attendance boundaries of the
24 affected area in public meetings that allows public comments.

25 (f) A formal process for notifying the residents and parents or
26 guardians of the affected area as to the decision of the governing board on
27 the school district's website, if the school district maintains a website.

28 (g) A formal process for updating attendance boundaries on the school
29 district's website within ninety days of an adopted boundary change. The
30 school district shall send a direct link to the school district's attendance
31 boundaries website to the department of real estate.

1 (h) If the land that a school was built on was donated within the past
2 five years, a formal process to notify the entity that donated the land
3 affected by the decision of the governing board.

4 39. If the state board of education determines that the school district
5 has committed an overexpenditure as defined in section 15-107, provide a copy
6 of the fiscal management report submitted pursuant to section 15-107,
7 subsection H on its website and make copies available to the public on
8 request. The school district shall comply with a request within five
9 business days after receipt.

10 40. Ensure that the contract for the superintendent is structured in a
11 manner where at least twenty per cent of the total annual compensation and
12 benefits included for the superintendent in the contract is classified as
13 performance pay. Nothing in this paragraph shall be construed to require
14 school districts to increase total compensation for superintendents. Unless
15 the school district governing board votes to implement an alternative
16 procedure at a public meeting called for this purpose, the performance pay
17 portion of the superintendent's total annual compensation shall be determined
18 as follows:

19 (a) Twenty-five per cent of the performance pay shall be determined
20 based on the percentage of academic gain determined by the department of
21 education of pupils who are enrolled in the school district compared to the
22 academic gain achieved by the highest ranking of the fifty largest school
23 districts in this state. For the purposes of this subdivision, the
24 department of education shall determine academic gain by the academic growth
25 achieved by each pupil who has been enrolled at the same school in a school
26 district for at least five consecutive months measured against that pupil's
27 academic results in the 2008-2009 school year. For the purposes of this
28 subdivision, of the fifty largest school districts in this state, the school
29 district with pupils who demonstrate the highest statewide percentage of
30 overall academic gain measured against academic results for the 2008-2009
31 school year shall be assigned a score of 100 and the school district with
32 pupils who demonstrate the lowest statewide percentage of overall academic

1 gain measured against academic results for the 2008-2009 school year shall be
2 assigned a score of 0.

3 (b) Twenty-five per cent of the performance pay shall be determined by
4 the percentage of parents of pupils who are enrolled at the school district
5 who assign a letter grade of "A" to the school on a survey of parental
6 satisfaction with the school district. The parental satisfaction survey
7 shall be administered and scored by an independent entity that is selected by
8 the governing board and that demonstrates sufficient expertise and experience
9 to accurately measure the results of the survey. The parental satisfaction
10 survey shall use standard random sampling procedures and provide anonymity
11 and confidentiality to each parent who participates in the survey. The
12 letter grade scale used on the parental satisfaction survey shall direct
13 parents to assign one of the following letter grades:

14 (i) A letter grade of "A" if the school district is excellent.

15 (ii) A letter grade of "B" if the school district is above average.

16 (iii) A letter grade of "C" if the school district is average.

17 (iv) A letter grade of "D" if the school district is below average.

18 (v) A letter grade of "F" if the school district is a failure.

19 (c) Twenty-five per cent of the performance pay shall be determined by
20 the percentage of teachers who are employed at the school district and who
21 assign a letter grade of "A" to the school on a survey of teacher
22 satisfaction with the school. The teacher satisfaction survey shall be
23 administered and scored by an independent entity that is selected by the
24 governing board and that demonstrates sufficient expertise and experience to
25 accurately measure the results of the survey. The teacher satisfaction
26 survey shall use standard random sampling procedures and provide anonymity
27 and confidentiality to each teacher who participates in the survey. The
28 letter grade scale used on the teacher satisfaction survey shall direct
29 teachers to assign one of the following letter grades:

30 (i) A letter grade of "A" if the school district is excellent.

31 (ii) A letter grade of "B" if the school district is above average.

32 (iii) A letter grade of "C" if the school district is average.

1 (iv) A letter grade of "D" if the school district is below average.

2 (v) A letter grade of "F" if the school district is a failure.

3 (d) Twenty-five per cent of the performance pay shall be determined by
4 other criteria selected by the governing board.

5 41. APPOINT GOVERNING BOARD MEMBERS OF SCHOOL DISTRICTS TO FILL ALL
6 VACANCIES, BUT THE TERM OF THE APPOINTMENT SHALL BE UNTIL THE NEXT REGULAR
7 ELECTION FOR GOVERNING BOARD MEMBERS, AT WHICH TIME A SUCCESSOR SHALL BE
8 ELECTED TO SERVE THE UNEXPIRED PORTION OF THE TERM. IF IT IS DEEMED TO BE IN
9 THE BEST INTEREST OF THE COMMUNITY, THE SCHOOL DISTRICT GOVERNING BOARD MAY
10 CALL A SPECIAL ELECTION TO FILL THE VACANCIES. IF AN ELECTION IS CALLED, THE
11 NEWLY ELECTED MEMBER SHALL SERVE FOR THE REMAINDER OF THE UNEXPIRED PORTION
12 OF THE TERM.

13 B. Notwithstanding subsection A, paragraphs 7, 9 and 11 of this
14 section, the county school superintendent may construct, improve and furnish
15 school buildings or purchase or sell school sites in the conduct of an
16 accommodation school.

17 C. If any school district acquires real or personal property, whether
18 by purchase, exchange, condemnation, gift or otherwise, the governing board
19 shall pay to the county treasurer any taxes on the property that were unpaid
20 as of the date of acquisition, including penalties and interest. The lien
21 for unpaid delinquent taxes, penalties and interest on property acquired by a
22 school district:

23 1. Is not abated, extinguished, discharged or merged in the title to
24 the property.

25 2. Is enforceable in the same manner as other delinquent tax liens.

26 D. The governing board may not locate a school on property that is
27 less than one-fourth mile from agricultural land regulated pursuant to
28 section 3-365, except that the owner of the agricultural land may agree to
29 comply with the buffer zone requirements of section 3-365. If the owner
30 agrees in writing to comply with the buffer zone requirements and records the
31 agreement in the office of the county recorder as a restrictive covenant
32 running with the title to the land, the school district may locate a school

1 within the affected buffer zone. The agreement may include any stipulations
2 regarding the school, including conditions for future expansion of the school
3 and changes in the operational status of the school that will result in a
4 breach of the agreement.

5 E. A school district, its governing board members, its school council
6 members and its employees are immune from civil liability for the
7 consequences of adoption and implementation of policies and procedures
8 pursuant to subsection A of this section and section 15-342. This waiver
9 does not apply if the school district, its governing board members, its
10 school council members or its employees are guilty of gross negligence or
11 intentional misconduct.

12 F. A governing board may delegate in writing to a superintendent,
13 principal or head teacher the authority to prescribe procedures that are
14 consistent with the governing board's policies.

15 G. Notwithstanding any other provision of this title, a school
16 district governing board shall not take any action that would result in a
17 reduction of pupil square footage unless the governing board notifies the
18 school facilities board established by section 15-2001 of the proposed action
19 and receives written approval from the school facilities board to take the
20 action. A reduction includes an increase in administrative space that
21 results in a reduction of pupil square footage or sale of school sites or
22 buildings, or both. A reduction includes a reconfiguration of grades that
23 results in a reduction of pupil square footage of any grade level. This
24 subsection does not apply to temporary reconfiguration of grades to
25 accommodate new school construction if the temporary reconfiguration does not
26 exceed one year. The sale of equipment that results in a reduction that
27 falls below the equipment requirements prescribed in section 15-2011,
28 subsection B is subject to commensurate withholding of school district
29 capital outlay revenue limit monies pursuant to the direction of the school
30 facilities board. Except as provided in section 15-342, paragraph 10,
31 proceeds from the sale of school sites, buildings or other equipment shall be
32 deposited in the school plant fund as provided in section 15-1102.

1 H. Subsections C through G of this section apply to a county board of
2 supervisors and a county school superintendent when operating and
3 administering an accommodation school.

4 Sec. 4. Section 15-393, Arizona Revised Statutes, as amended by Laws
5 2010, chapter 285, section 1 and chapter 306, section 3, is amended to read:

6 15-393. Joint technical education district governing board;
7 report; definition

8 A. The management and control of the joint district are vested in the
9 joint technical education district governing board, including the content and
10 quality of the courses offered by the district, the quality of teachers who
11 provide instruction on behalf of the district, the salaries of teachers who
12 provide instruction on behalf of the district and the reimbursement of other
13 entities for the facilities used by the district. Unless the governing
14 boards of the school districts participating in the formation of the joint
15 district vote to implement an alternative election system as provided in
16 subsection B of this section, the joint board shall consist of five members
17 elected from five single member districts formed within the joint district.
18 The single member district election system shall be submitted as part of the
19 plan for the joint district pursuant to section 15-392 and shall be
20 established in the plan as follows:

21 1. The governing boards of the school districts participating in the
22 formation of the joint district shall define the boundaries of the single
23 member districts so that the single member districts are as nearly equal in
24 population as is practicable, except that if the joint district lies in part
25 in each of two or more counties, at least one single member district may be
26 entirely within each of the counties comprising the joint district if this
27 district design is consistent with the obligation to equalize the population
28 among single member districts.

29 2. The boundaries of each single member district shall follow election
30 precinct boundary lines, as far as practicable, in order to avoid further
31 segmentation of the precincts.

1 3. A person who is a registered voter of this state and who is a
2 resident of the single member district is eligible for election to the office
3 of joint board member from the single member district. The terms of office
