

COMMITTEE ON HEALTHCARE AND MEDICAL LIABILITY REFORM

SENATE AMENDMENTS TO S.B. 1119

(Reference to printed bill)

1 Page 2, line 39, strike "PARENTERAL" insert "INTRAVENOUS"

2 Line 40, after "OR" insert "COMPOUNDED"

3 Page 8, after line 44, insert:

4 "Sec. 2. Section 32-1504, Arizona Revised Statutes, is amended to  
5 read:

6 32-1504. Powers and duties

7 A. The board shall:

8 1. Adopt rules that are necessary or proper for the administration of  
9 this chapter.

10 2. Administer and enforce all provisions of this chapter and all rules  
11 adopted by the board under the authority granted by this chapter.

12 3. Adopt rules regarding the qualifications of medical assistants who  
13 assist doctors of naturopathic medicine and shall determine the  
14 qualifications of medical assistants who are not otherwise regulated.

15 4. Adopt rules for the approval of schools of naturopathic medicine.  
16 The board may incorporate by reference the accrediting standards for  
17 naturopathic medical schools published by accrediting agencies recognized by  
18 the United States department of education or recognized by the council for  
19 higher education accreditation.

20 5. Adopt rules relating to clinical, internship, preceptorship and  
21 postdoctoral training programs, naturopathic graduate medical education and  
22 naturopathic continuing medical education programs. The rules for  
23 naturopathic continuing medical education programs shall require at least ten  
24 hours each year directly related to pharmacotherapeutics.

1           6. Periodically inspect and evaluate clinical, internship,  
2 preceptorship and postdoctoral training programs and naturopathic graduate  
3 medical education programs and randomly evaluate naturopathic continuing  
4 medical education programs.

5           7. Adopt rules relating to the dispensing of natural substances, drugs  
6 and devices.

7           8. ADOPT RULES NECESSARY FOR THE SAFE ADMINISTRATION OF INTRAVENOUS  
8 NUTRIENTS. THESE RULES SHALL IDENTIFY AND EXCLUDE SUBSTANCES THAT DO NOT  
9 MEET THE CRITERIA OF NUTRIENTS SUITABLE FOR INTRAVENOUS ADMINISTRATION.

10          ~~8.~~ 9. Adopt and use a seal.

11          ~~9.~~ 10. Have the full and free exchange of information with the  
12 licensing and disciplinary boards of other states and countries and with the  
13 American association of naturopathic physicians, the Arizona naturopathic  
14 medical association, the association of naturopathic medical colleges, the  
15 federation of naturopathic medical licensing boards and the naturopathic  
16 medical societies of other states, districts and territories of the United  
17 States or other countries.

18           B. The board may:

19           1. Adopt rules that prescribe annual continuing medical education for  
20 the renewal of licenses issued under this chapter.

21           2. Employ permanent or temporary personnel it deems necessary to carry  
22 out the purposes of this chapter and designate their duties.

23           3. Adopt rules relating to naturopathic medical specialties and  
24 determine the qualifications of doctors of naturopathic medicine who may  
25 represent or hold themselves out as being specialists.

26           4. If reasonable cause exists to believe that the competency of an  
27 applicant or a person who is regulated by the board is in question, require  
28 that person to undergo any combination of physical, mental, biological fluid  
29 and laboratory tests.

30           5. Be a dues paying member of national organizations that support  
31 licensing agencies in their licensing and regulatory duties and pay the

1 travel expenses involved for a designated board member or the executive  
2 director to represent the board at the annual meeting of these organizations.

3 6. Adopt rules for conducting licensing examinations required by this  
4 chapter.

5 7. Delegate to the executive director the board's authority pursuant  
6 to sections 32-1509 and 32-1551."

7 Amend title to conform
