FLOOR AMENDMENT EXPLANATION

Decreases appropriation to Capitol Mall security system from the Capital outlay stabilization fund (COSF) by \$3 million.

Increases Department of Administration building renewal monies from COSF from \$5.4 million to \$9 million, and requires ADOA to allocate monies to state agencies for necessary building renewal.

Stipulates that if COSF funds are insufficient to fund building renewal, the ADOA appropriation shall be reduced by the difference between the amount appropriated to ADOA from COSF and the balance in COSF.
