

HOUSE FLOOR AMENDMENT EXPLANATION

Bill Number: **HB 2530**

Leach Floor Amendment

As passed by the Committee on Education, HB 2530 prohibits a public school from requiring proof of payment to accept credits earned by a student from summer AOI courses and establishes a process for the release of transcripts from a public school to an AOI provider.

The 3-line Leach Floor Amendment to the Education Committee Amendment to HB 2530 dated 2/17/15 at 10:48 A.M. requires AOI providers to notify the charter school's sponsor, rather than the State Board for Charter schools, if a charter school has not released a transcript to the AOI within 10 days.
