Bill Number: **HB2307**

Floor Amendment

Changes the criteria under which the State Board of Education (SBE) may approve service providers for the continuing high school program (Program) from "total projected enrollment" to "total projected average daily membership" (ADM) for the following fiscal years:

- In FY 2021, not more than 350 total ADM;
- In FY 2022, not more than 700 total ADM;
- In FY 2023 and each fiscal year thereafter, not more than 1,750 total ADM.

Allows the SBE to adjust the ADM allocated to individual service providers of the Program based on the previous year's enrollment, strong demand for new enrollment or changes in the facilities where the Program is operated.

Limits the service providers to 1,750 total projected ADM.
