Fann Floor Amendment

Reference to: printed bill

Amendment drafted by: Leg Council

FLOOR AMENDMENT EXPLANATION

1. Specifies that a shared vehicle owner, in order to be exempted from transaction surcharges, only needs to certify that their vehicle is an individual-owned shared vehicle once for the duration of the time that the owner owns the shared vehicle.
2. Requires a shared vehicle transaction to be sourced to the location of the car sharing start time if the owner does not reside in Arizona and the shared vehicle is registered in another state or country.
3. Requires records related to shared vehicle transactions to be retained for a period of six years, rather than two years.
4. Specifies that the tax base of the personal property rental classification does not include gross proceeds received by a shared vehicle owner from a peer-to-peer car sharing program, rather than from a shared vehicle transaction.
5. Makes technical changes.
