SUBJECT: Concrete Pipe Week

SOURCE: Author

DIGEST: This resolution encourages the attention of the public be drawn to the reinforced concrete pipe and precast industry for its numerous contributions to the enhancement of the quality of life in California, and that the period between August 15 and August 21, 2021, be recognized as Concrete Pipe Week.

ANALYSIS: This resolution makes the following legislative findings:

- 1) The week of August 15 through August 21, 2021, has been declared Concrete Pipe Week for the purpose of recognizing the vital importance of reinforced concrete pipe and precast products to sustainable communities and the health, and well-being of the people of California.
- 2) These resilient products are critical in the state's efforts to withstand the impact of climate change and wildfires.
- 3) Reinforced concrete pipe, precast products, and services could not be provided without the dedicated efforts of the concrete pipe and precast industry manufacturers, professionals, engineers, managers, and employees who are together responsible for designing, manufacturing, distributing, educating, and supplying concrete pipe and precast products to public and private owners who in turn build, design and maintain transportation infrastructure, water supply, water treatment systems, solid waste systems, and other structures and facilities essential to modern society.
- 4) Celebrating its 114th anniversary during the year 2021, the American Concrete Pipe Association began as a means of exchanging ideas and establishing a high-

quality, standardized product, which is fully supported by the American Concrete Pipe Association of California.

- 5) Over the years, numerous residents and civic leaders throughout California have gained knowledge and maintained a progressive interest and understanding of the importance of the reinforced concrete pipe industry to every community throughout California and the United States.

This resolution encourages the attention of the public be drawn to the reinforced concrete pipe and precast industry for its numerous contributions to the enhancement of the quality of life in California, and that the period between August 15 and August 21, 2021, be recognized as Concrete Pipe Week.
