Committee. The bill implements the recommendations contained in the sunset review and report on the "Massage Therapy Practice Act" (MTPA) as follows:

Sections 1 and 2 of the bill continue the regulation of massage therapists by the director of the division of professions and occupations (director) for 9 years, until 2022.

Current law requires massage therapists to be registered with the director. **Sections 3 to 11, 13 to 15, and 17** replace the registration requirement with a requirement that massage therapists obtain a license.

Section 10 adds the following as grounds for disciplining a massage therapist:

- ! Failure to report the surrender of a massage therapy license, certification, or registration to, or an adverse action taken against a license, certification, or registration by, a licensing agency in another state, territory, or country, a governmental agency, a law enforcement agency, or a court for acts that constitute grounds for discipline under the MTPA;
- ! Commission of an act that does not meet, or failure to perform an act necessary to meet, generally accepted standards of massage therapy care; and
- ! Commission of a crime when the underlying act was related to the practice of massage therapy or was perpetrated against a massage therapy client during the therapeutic relationship.

Section 11 authorizes the director to issue letters of admonition and confidential letters of concern to a massage therapist against whom the director determines action against the license is not warranted but a statement from the director about the conduct is appropriate.

In order to register as a massage therapist under current law, an applicant must have obtained a degree or diploma from an approved massage therapy school, which is defined as a massage therapy educational school approved by the division of private and occupational schools; a massage therapy educational program certified by the Colorado community college system; or a massage therapy educational program accredited by a nationally recognized accrediting agency. **Section 4** permits an applicant to obtain a degree or diploma from a massage therapy program at a school located outside Colorado that is approved by the director based on standards adopted by the director by rule.

Section 12 requires a massage therapist who has had his or her license revoked or has surrendered his or her license in lieu of discipline to wait at least 2 years before applying for a new license.

Under current law, a massage therapist is subject to discipline if he or she has a mental or physical condition or disability that renders him or her unable to provide massage therapy with reasonable skill and safety or

that may endanger the health or safety of clients. **Section 10** imposes discipline on a massage therapist who has such a condition or illness only if the massage therapist:

- ! Fails to notify the director of the condition or illness;
- ! Fails to act within the limitations created by the condition or illness; or
- ! Fails to comply with the limitations agreed to under a confidential agreement entered into with the director.

Section 16 authorizes the director to enter into a confidential agreement with a massage therapist who suffers from a mental or physical condition or illness under which the massage therapist agrees to limit his or her practice to ensure client safety and also agrees to monitoring and reevaluations.
