*(Note: This summary applies to this bill as introduced and does not reflect any amendments that may be subsequently adopted. If this bill passes third reading in the house of introduction, a bill summary that applies to the reengrossed version of this bill will be available at <http://www.leg.state.co.us/billsummaries>.)*

A local marketing district (district) may levy a marketing and promotion tax on the purchase price paid for rooms or accommodations.

Shading denotes HOUSE amendment. Double underlining denotes SENATE amendment.  
Capital letters indicate new material to be added to existing statute.  
Dashes through the words indicate deletions from existing statute.

Currently, a person or entity that provides rooms or accommodations and is included in a district is required to remit the marketing and promotion tax it collects to the department of revenue on a quarterly basis. Due to the quarterly remittance, a district receives its revenue on a quarterly basis.

Beginning on July 1, 2014, the bill requires a person or entity that provides rooms or accommodations and is included in a district to remit the marketing and promotion tax it collects to the department of revenue on a monthly basis, thereby allowing the district to receive its revenue on a monthly basis.
