**Bill Summary**

*(Note: This summary applies to this bill as introduced and does not reflect any amendments that may be subsequently adopted. If this bill passes third reading in the house of introduction, a bill summary that applies to the reengrossed version of this bill will be available at <http://www.leg.state.co.us/billsummaries>.)*

Currently, the title of a motor vehicle that has been rebuilt from salvage must be branded. The bill expands branding to include a vehicle that:

!       Is nonrepairable;

Shading denotes HOUSE amendment. Double underlining denotes SENATE amendment.  
*Capital letters indicate new material to be added to existing statute.  
Dashes through the words indicate deletions from existing statute.*

- ! Is built from 2 or more vehicles;
- ! Is flood damaged;
- ! Has had its odometer tampered with;
- ! Has an incorrect odometer; or
- ! Has a designation placed on the title by another jurisdiction.

These brands are carried forward to all subsequent titles. Brands from other states are carried forward in Colorado.

If a vehicle is classified as junk, its title is canceled and cannot be reissued. If a vehicle is nonrepairable, the owner must apply for a nonrepairable title and the vehicle must be sold for parts or scrap. When the part is sold, a copy of the nonrepairable title shows ownership of the part.

The salvage brand statute is moved to its own section.

1 *Be it enacted by the General Assembly of the State of Colorado:*
