

General Assembly

Amendment

February Session, 2014

LCO No. 4929

SB0012604929SR0

Offered by:
SEN. MCKINNEY, 28th Dist.

To: Subst. Senate Bill No. 126 File No. 108 Cal. No. 111

"AN ACT CONCERNING CHILDREN'S EXPOSURE TO CHEMICALS."

1 After the last section, add the following and renumber sections and
2 internal references accordingly:

3 "Sec. 501. Section 19a-490o of the general statutes is repealed and the
4 following is substituted in lieu thereof (*Effective October 1, 2014*):

5 (a) The Department of Public Health shall consider the
6 recommendations of the Advisory Committee on Healthcare
7 Associated Infections established pursuant to section 19a-490n, with
8 respect to the establishment of a mandatory reporting system for
9 healthcare associated infections designed to prevent healthcare
10 associated infections.

11 (b) The Department of Public Health shall submit a report to the
12 joint standing committee of the General Assembly having cognizance
13 of matters relating to public health concerning the plan for the
14 mandatory reporting system for healthcare associated infections

15 recommended by the Advisory Committee on Healthcare Associated
 16 Infections pursuant to section 19a-490n, and the status of such plan
 17 implementation, in accordance with the provisions of section 11-4a.

18 (c) On or before May 1, 2011, and annually thereafter, the
 19 department shall submit a report to the joint standing committee of the
 20 General Assembly having cognizance of matters relating to public
 21 health on the information collected by the department pursuant to the
 22 mandatory reporting system for healthcare associated infections
 23 established under subsection (a) of this section, in accordance with the
 24 provisions of section 11-4a. Such report shall include, for each facility,
 25 information concerning the number and type of infections, including,
 26 but not limited to, (1) central line-associated bloodstream infections,
 27 catheter-associated urinary tract infections, surgical site infections,
 28 methicillin-resistant staphylococcus aureus (MRSA) infections and
 29 Clostridium difficile (C. difficile) infections, acquired in a hospital or
 30 other facility that resulted in death, serious injury or serious illness at
 31 each facility. Such report shall be posted on the department's Internet
 32 web site and made available to the public.

33 (d) The department shall post information on its Internet web site
 34 regarding healthcare-associated infections. Such information shall
 35 include links on the department's home page to the annual reports
 36 submitted in accordance with subsection (c) of this section and to the
 37 Medicare Hospital Compare Internet web site to assist members of the
 38 public in learning about healthcare-associated infections and
 39 comparing the rate of such infections at facilities in the state."

This act shall take effect as follows and shall amend the following sections:		
Sec. 501	October 1, 2014	19a-490o
