17 treatment unit systems inspected and serviced. The reports may
18 be submitted electronically.

19 2. The property owner of an owner-occupied, single-family
20 residence may be approved and permitted by the department as a
21 maintenance entity for his or her own aerobic treatment unit
22 system upon written certification from the system manufacturer's
23 approved representative that the property owner has received
24 training on the proper installation and service of the system.
25 The maintenance entity service agreement must conspicuously
26 disclose that the property owner has the right to maintain his
27 or her own system and is exempt from contractor registration
28 requirements for performing construction, maintenance, or
29 repairs on the system but is subject to all permitting
30 requirements.

31 3. A septic tank contractor licensed under part III of
32 chapter 489, if approved by the manufacturer, may not be denied
33 access by the manufacturer to
