

Amendment No.

CHAMBER ACTION

Senate

House

.

1 Representative Magar offered the following:

2
3 **Amendment**

4 Remove lines 509-513 and insert:
5 the plan from achieving an enrollment level congruent with the
6 plan's pro forma financial statement and determined by the
7 agency to be reasonable and necessary for sustainable
8 operations. Such certification does not guarantee assignment of
9 enrollees to any plan that fails to meet quality standards.
