

PROPOSED AMENDMENT

HB 1134 # 13

DIGEST

Matter or performance harmful to minors. Removes provisions in the bill that do the following: (1) Remove schools and certain public libraries from the list of entities eligible for a specified defense to criminal prosecutions alleging: (A) the dissemination of matter harmful to minors; or (B) a performance harmful to minors. (2) Add colleges, universities, college libraries, and university libraries to the list of entities eligible for a specified defense to criminal prosecutions alleging: (A) the dissemination of matter harmful to minors; or (B) a performance harmful to minors. (3) Makes changes to the definition of "sexually explicit materials" for the purpose of trade regulation.
