

# PROPOSED AMENDMENT

## SB 366 # 8

### DIGEST

Long range plan for postsecondary education. Requires the commission for higher education, in developing a long range plan for postsecondary education, to take into account reducing the financial burden on students and their families for postsecondary education.

---

- 1 Page 1, line 13, strike "financial needs of students;".
- 2 Page 1, line 13, after "and" insert "**reducing the financial burden**
- 3 **on students and their families for postsecondary education;**".
