4           JULY 1, 2024]: Sec. 28. (a) For each school year in a state fiscal year  
5           beginning after June 30, 2023, a school corporation shall expend an  
6           amount for teacher compensation that is not less than an amount equal  
7           to sixty-two percent (62%) of the state tuition support distributed to the  
8           school corporation during the state fiscal year. For purposes of  
9           determining whether a school corporation has complied with this  
10          requirement, the amount a school corporation expends for teacher  
11          compensation shall include the amount the school corporation expends  
12          for adjunct teachers, supplemental pay for teachers, stipends, and for
