

# PROPOSED AMENDMENT

## HB 1264 # 3

### DIGEST

Election security. Provides that provisions in the bill concerning proof of residency do not apply to an individual who: (1) is an absent uniformed services voter or overseas voter; or (2) is entitled to vote other than in person under certain federal laws. Requires the NVRA official to compare the statewide voter registration system with the bureau of motor vehicles list of temporary credentials, instead of the systematic alien verification for entitlements (SAVE) program data base.
