

STATE OF KANSAS

HOUSE OF REPRESENTATIVES

MR. CHAIRMAN:

I move to amend **HB 2121**, as amended by House Committee, on page 1, in line 6, after "report" by inserting "subject to the consent requirements of subsection (b)";

Also on page 1, in line 10, after "(b)" by inserting "No report of the administration of a vaccine under subsection (a) shall be made unless the person to which the vaccine was administered consents in writing to the report. If the person to which the vaccine is administered is less than 18 years of age, no report under subsection (a) shall be made unless the parent or guardian of the person consents in writing to the report or, if a parent is not available, consent is obtained in accordance with K.S.A. 38-137, and amendments thereto. If a consent form or other printed document is used to obtain the consent, the printing on the form or document relating to the consent shall be separate from any other consent, shall be plain and clear and shall be the same size or larger print than the other printing on the form or document.
