19 definite recall date within eight weeks of his or her first day of unemployment; however, upon

1 the claimant does report to the division's office;

2 (4) Prior to the first week of a period of total or partial unemployment for which the
3 claimant claims benefits he or she has been totally or partially unemployed for a waiting period of
4 one week. No more than one waiting week will be required in any benefit year. During calendar
5 year 2008 and each calendar year thereafter, the one-week waiting period shall become compensable
6 once his or her remaining balance on the claim is equal to or less than the compensable amount for
7 the waiting period. No week shall be counted as a week of total or partial unemployment for the
8 purposes of this subsection unless it occurs within the benefit year which includes the week with
9 respect to which the claimant claims benefits;

10 (5) The claimant has made a claim for benefits within fourteen days from the last day of the
11 week being claimed. The fourteen-day period may, for good cause, be extended to twenty-eight
12 days;

13 (6) The claimant has reported to an employment office to participate in a reemployment
14 assessment and reemployment services as directed by the deputy or designated staff of an
15 employment office, unless the deputy determines that good cause exists for the claimant's failure to

17 section, "reemployment services" may include, but not be limited to, the following:

18 (a) Providing an orientation to employment office services;

19 (b) Providing job search assistance; and

20 (c) Providing labor market statistics or analysis;

21
22 Ineligibility under this subdivision shall begin on the first day of the week which the claimant was
23 scheduled to report for the reemployment assessment or reemployment services and shall end on the
24 last day of the week preceding the week during which the claimant does report in person to the
25 employment office for such reemployment assessment or reemployment services;

26 (7) The claimant is participating in reemployment services, such as job search assistance
27 services, as directed by the deputy if the claimant has been determined to be likely to exhaust
28 regular benefits and to need reemployment services pursuant to a profiling system established by the
29 division, unless the deputy determines that:

30 (a) The individual has completed such reemployment services; or

31 (b) There is justifiable cause for the claimant's failure to participate in such reemployment
32 services.

33 2. A claimant shall be ineligible for waiting week credit or benefits for any week for which
34 the deputy finds he or she is or has been suspended by his or her most recent employer for
35 misconduct connected with his or her work.

36 Suspensions of four weeks or more shall be treated as discharges.

37 3. (1) Benefits based on "service in employment", described in subsections 7 and 8 of
38 section 288.034, shall be payable in the same amount, on the same terms and subject to the same
39 conditions as compensation payable on the basis of other service subject to this law; except that:

40 (a) With respect to service performed in an instructional, research, or principal
41 administrative capacity for an educational institution, benefits shall not be paid based on such
42 services for any week of unemployment commencing during the period between two successive
43 academic years or terms, or during a similar period between two regular but not successive terms, or
44 during a period of paid sabbatical leave provided for in the individual's contract, to any individual if
45 such individual performs such services in the first of such academic years (or terms) and if there is a
46 contract or a reasonable assurance that such individual will perform services in any such capacity
47 for any educational institution in the second of such academic years or terms;

48 (b) With respect to services performed in any capacity (other than instructional, research, or

1 principal administrative capacity) for an educational institution, benefits shall not be paid on the
2 basis of such services to any individual for any week which commences during a period between
3 two successive academic years or terms if such individual performs such services in the first of such
4 academic years or terms and there is a contract or a reasonable assurance that such individual will
5 perform such services in the second of such academic years or terms;

6 (c) With respect to services described in paragraphs (a) and (b) of this subdivision, benefits
7 shall not be paid on the basis of such services to any individual for any week which commences
8 during an established and customary vacation period or holiday recess if such individual performed
9 such services in the period immediately before such vacation period or holiday recess, and there is
10 reasonable assurance that such individual will perform such services immediately following such
11 vacation period or holiday recess;

12 (d) With respect to services described in paragraphs (a) and (b) of this subdivision, benefits
13 payable on the basis of services in any such capacity shall be denied as specified in paragraphs (a),
14 (b), and (c) of this subdivision to any individual who performed such services at an educational
15 institution while in the employ of an educational service agency, and for this purpose the term
16 "educational service agency" means a governmental agency or governmental entity which is
17 established and operated exclusively for the purpose of providing such services to one or more
18 educational institutions.

19 (2) If compensation is denied for any week pursuant to paragraph (b) or (d) of subdivision
20 (1) of this subsection to any individual performing services at an educational institution in any
21 capacity (other than instructional, research or principal administrative capacity), and such individual
22 was not offered an opportunity to perform such services for the second of such academic years or
23 terms, such individual shall be entitled to a retroactive payment of the compensation for each week
24 for which the individual filed a timely claim for compensation and for which compensation was
25 denied solely by reason of paragraph (b) or (d) of subdivision (1) of this subsection.

26 4. (1) A claimant shall be ineligible for waiting week credit, benefits or shared work
27 benefits for any week for which he or she is receiving or has received remuneration exceeding his or
28 her weekly benefit amount or shared work benefit amount in the form of:

29 (a) Compensation for temporary partial disability pursuant to the workers' compensation
30 law of any state or pursuant to a similar law of the United States;

31 (b) A governmental or other pension, retirement or retired pay, annuity, or other similar
32 periodic payment which is based on the previous work of such claimant to the extent that such
33 payment is provided from funds provided by a base period or chargeable employer pursuant to a
34 plan maintained or contributed to by such employer; but, except for such payments made pursuant
35 to the Social Security Act or the Railroad Retirement Act of 1974 (or the corresponding provisions
36 of prior law), the provisions of this paragraph shall not apply if the services performed for such
37 employer by the claimant after the beginning of the base period (or remuneration for such services)
38 do not affect eligibility for or increase the amount of such pension, retirement or retired pay, annuity
39 or similar payment.

40 (2) If the remuneration referred to in this subsection is less than the benefits which would
41 otherwise be due, the claimant shall be entitled to receive for such week, if otherwise eligible,
42 benefits reduced by the amount of such remuneration, and, if such benefit is not a multiple of one
43 dollar, such amount shall be lowered to the next multiple of one dollar.

44 (3) Notwithstanding the provisions of subdivisions (1) and (2) of this subsection, if a
45 claimant has contributed in any way to the Social Security Act or the Railroad Retirement Act of
46 1974, or the corresponding provisions of prior law, no part of the payments received pursuant to
47 such federal law shall be deductible from the amount of benefits received pursuant to this chapter.

48 5. A claimant shall be ineligible for waiting week credit or benefits for any week for which

1 or a part of which he or she has received or is seeking unemployment benefits pursuant to an
2 unemployment insurance law of another state or the United States; provided, that if it be finally
3 determined that the claimant is not entitled to such unemployment benefits, such ineligibility shall
4 not apply.

5 6. (1) A claimant shall be ineligible for waiting week credit or benefits for any week for
6 which the deputy finds that such claimant's total or partial unemployment is due to a stoppage of
7 work which exists because of a labor dispute in the factory, establishment or other premises in
8 which such claimant is or was last employed. In the event the claimant secures other employment
9 from which he or she is separated during the existence of the labor dispute, the claimant must have
10 obtained bona fide employment as a permanent employee for at least the major part of each of two
11 weeks in such subsequent employment to terminate his or her ineligibility. If, in any case, separate
12 branches of work which are commonly conducted as separate businesses at separate premises are
13 conducted in separate departments of the same premises, each such department shall for the
14 purposes of this subsection be deemed to be a separate factory, establishment or other premises.
15 This subsection shall not apply if it is shown to the satisfaction of the deputy that:

16 (a) The claimant is not participating in or financing or directly interested in the labor
17 dispute which caused the stoppage of work; and

18 (b) The claimant does not belong to a grade or class of workers of which, immediately
19 preceding the commencement of the stoppage, there were members employed at the premises at
20 which the stoppage occurs, any of whom are participating in or financing or directly interested in
21 the dispute.

22 (2) "Stoppage of work" as used in this subsection means a substantial diminution of the
23 activities, production or services at the establishment, plant, factory or premises of the employing
24 unit. This definition shall not apply to a strike where the employees in the bargaining unit who
25 initiated the strike are participating in the strike. Such employees shall not be eligible for waiting
26 week credit or benefits during the period when the strike is in effect, regardless of diminution,
27 unless the employer has been found guilty of an unfair labor practice by the National Labor
28 Relations Board or a federal court of law for an act or actions preceding or during the strike.

29 7. On or after January 1, 1978, benefits shall not be paid to any individual on the basis of
30 any services, substantially all of which consist of participating in sports or athletic events or training
31 or preparing to so participate, for any week which commences during the period between two
32 successive sport seasons (or similar periods) if such individual performed such services in the first
33 of such seasons (or similar periods) and there is a reasonable assurance that such individual will
34 perform such services in the later of such seasons (or similar periods).

35 8. Benefits shall not be payable on the basis of services performed by an alien, unless such
36 alien is an individual who was lawfully admitted for permanent residence at the time such services
37 were performed, was lawfully present for purposes of performing such services, or was permanently
38 residing in the United States under color of law at the time such services were performed (including
39 an alien who was lawfully present in the United States as a result of the application of the provisions
40 of Section 212(d)(5) of the Immigration and Nationality Act).

41 (1) Any data or information required of individuals applying for benefits to determine
42 whether benefits are not payable to them because of their alien status shall be uniformly required
43 from all applicants for benefits.

44 (2) In the case of an individual whose application for benefits would otherwise be approved,
45 no determination that benefits to such individual are not payable because of such individual's alien
46 status shall be made except upon a preponderance of the evidence.

47 9. A claimant shall be ineligible for waiting week credit or benefits for any week such
48 claimant has an outstanding penalty which was assessed based upon an overpayment of benefits, as

1 provided for in subsection 9 of section 288.380.

2 10. The directors of the division of employment security and the division of workforce
3 development shall submit to the governor, the speaker of the house of representatives, and the
4 president pro tem of the senate no later than October 15, 2006, a report outlining their
5 recommendations for how to improve work search verification and claimant reemployment
6 activities. The recommendations shall include, but not limited to how to best utilize
7 "greathires.org", and how to reduce the average duration of unemployment insurance claims. Each
8 calendar year thereafter, the directors shall submit a report containing their recommendations on
9 these issues by December thirty-first of each year.

10 11. For purposes of this section, a claimant may satisfy reporting requirements provided
11 under this section by reporting by internet communication or any other means deemed acceptable by
12 the division of employment security.

13 12. For purposes of this section, an individual shall be eligible to receive unemployment
14 benefits only after he or she has worked for the employer for a minimum of two hundred hours.

15 13. An individual may not file a claim against an employer more than once in a twelve-
16 month period."; and

19 accordingly.
