

House \_\_\_\_\_ Amendment NO. \_\_\_\_\_

Offered By

1 AMEND Senate Bill No. 757, Page 5, Section 70.370, Line 128, by inserting immediately after all  
2 of said section and line the following:

3  
4 "160.066. 1. By September 1, 2019, each public school district and each charter school  
5 shall develop, maintain, and make publicly available, at a minimum, a searchable expenditure and  
6 revenue document or database detailing actual income, expenditures, and disbursements for the  
7 current calendar or fiscal year on its district or school website, which may be in the format of a  
8 searchable PDF, document, or spreadsheet. If the public school district or charter school does not  
9 provide the aforementioned detailed financial and budgetary information on its website, then a  
10 direct link to the department of elementary and secondary education's website, which has detailed  
11 financial and budgetary information about the public school district or charter school, shall be  
12 provided on the district's website. The site shall contain only information that is a public record or  
13 that is not confidential or otherwise protected from public disclosure under state or federal law.

14 2. The public school district or charter school shall, to the extent practicable, update the  
15 financial data contained on the site no less frequently than every quarter and provide the data in a  
16 structured format. The public school district or charter school shall archive the financial data,  
17 which shall remain accessible and searchable, for a minimum of ten years.

18 3. By January 1, 2019, the department of elementary and secondary education shall create a  
19 template for voluntary use by school districts needing assistance with the online posting of the  
20 information specified in subsection 1 of this section. The template may include both the type of  
21 electronic file posted as well as the information to be included in the posting. The department may  
22 take into consideration any existing templates or reports developed by the department for purposes  
23 of financial reporting. In the event that a school district or charter school does not maintain a  
24 website, this information shall be accessible through the department.

25 4. Nothing in this section shall direct or require a school district or charter school to post  
26 online any personal information relating to payroll including, but not limited to, payroll deductions,  
27 payroll contributions, or any other information that is confidential or otherwise protected from  
28 public disclosure under state or federal law."; and

29  
30 Further amend said bill by amending the title, enacting clause, and intersectional references  
31 accordingly.
