Offered By _____

1 AMEND Senate Bill No. 757, Page 1, Section A, Line 2, by inserting immediately after said line
2 the following:

3 "67.641. 1. The general assembly may annually appropriate up to three million dollars from
4 the state general revenue fund to each convention and sports complex fund created pursuant to
5 section 67.639, provided that for an existing sports facility located in a first class county with a
6 charter form of government which contains part of a city having a population of three hundred fifty
7 thousand inhabitants or more or any city with a population greater than three hundred fifty
8 thousand, located in more than one county, such county or city has entered into a contract or lease
9 with a professional sports team affiliated with or franchised by the National Football League, the
10 National Basketball Association, the National Hockey League, or the American League or the
11 National League of Major League Baseball. No moneys shall be transferred pursuant to this section
12 to the benefit of a sports complex for a county in any year unless each professional sports team
13 which leases playing facilities within the county continue to lease the same playing facilities which
14 were leased on August 28, 1989. Each convention and sports complex fund shall be administered
15 by the county or city and used to carry out the provisions of sections 67.638 to 67.645.

16 2. Each city or county which has a convention and sports complex fund established pursuant
17 to the laws of this state which administers a convention and sports complex fund, prior to receipt of
18 any appropriations pursuant to this section shall enact or promulgate ordinances, or rules and
19 regulations which provide, pursuant to the terms and provisions of section 70.859, for the purchase
20 of goods and services and for construction of capital improvements for the sports complex. In no
21 event shall more than three million dollars be transferred from the state to any one such convention
22 and sports complex fund in any fiscal year pursuant to this section, and in no event shall any
23 moneys be transferred from the state to any convention and sports complex fund for the planning,
24 development, construction, maintenance or operation of any facility after June 30, 1999. Only one
25 such transfer of state funds shall be made to any convention and sports complex fund after June 30,
26 1997, provided that any convention and sports complex fund which was appropriated state moneys
27 prior to July 1, 1997, for the construction, maintenance or operation of a facility shall continue to
28 receive state moneys, subject to appropriation.

29 3. This section shall not become effective unless and until the applicable county or
30 the applicable city which has created a convention and sports complex fund has commenced paying
31 into the convention and sports complex fund amounts at a rate sufficient for the county or city to
32 contribute the sum of three million dollars per calendar year, except that this section shall become
33 effective with respect to any first class county not having a charter form of government on August
34 28, 1989, and with respect to any charter city located in a first class county not having a charter
35 form of government at the time at which such county or city has commenced paying any moneys
36 into its convention and sports complex fund. The appropriations made pursuant to subsection 1 of

Action Taken _____ Date _____

1 this section to any convention and sports complex fund shall not exceed the amounts contributed by
 2 the county or city to the fund. The county or city's proportional amount specified in this section
 3 may come from any source. Once the county or city has commenced paying such appropriate
 4 proportional amounts into its convention and sports complex fund, the county or city shall so notify
 5 the state treasurer and the director of revenue and, thereafter, subject to annual appropriation,
 6 transfers shall commence and continue each month pursuant to this section until such monthly
 7 transfers are made for ~~[thirty]~~ thirty-five years. Moneys appropriated from general revenue shall
 8 not be expended until such first class charter county or a city located in such first class charter
 9 county has paid three million dollars into its fund, or until such first class county not having a
 10 charter form of government or until such charter city within a first class county not having a charter
 11 form of government has commenced payment of moneys into its fund."; and

13 Further amend said bill, Page 5, Section 70.370, Line 128, by inserting immediately after said line
 14 the following:

15 "99.585. 1. The state of Missouri, acting through the department of economic development
 16 and the office of administration, and any other public body, may, upon such terms and with
 17 reasonable consideration as it may determine, expend funds for the purpose of aiding and
 18 cooperating in the planning, undertaking, or carrying out of a land clearance project or projects
 19 located within a city not within a county in order to develop, construct, reconstruct, rehabilitate,
 20 repair, or improve any tourism infrastructure facilities existing as of August 28, 2018, and for which
 21 application is made and approved by the department of economic development no later than August
 22 28, 2019. Any annual expenditure by a public body for such land clearance projects related to
 23 tourism infrastructure facilities shall be limited to a portion of tax revenues derived directly or
 24 indirectly from any such land clearance project or projects supported by such annual expenditure
 25 within such designated land clearance project area or areas, as stated in an agreement entered into
 26 between the authority and the public body under subdivision (10) of section 99.580; provided,
 27 however, that:

28 (1) The term of any such agreement shall not exceed twenty years;

29 (2) The annual amount of the state appropriation authorized under this section shall not
 30 exceed two million five hundred thousand dollars per year for any fiscal year ending on or before
 31 June 30, 2028, and four million five hundred thousand dollars for any fiscal year beginning on or
 32 after July 1, 2018;

33 (3) Any such land clearance project shall be determined to produce a positive net fiscal
 34 impact for the state over the term of such agreement, with such public or private assurances as the
 35 director of the department of economic development may reasonably require;

36 (4) For all fiscal years beginning on or after July 1, 2021, the state shall not enter into any
 37 agreement which obligates the state for any payment of debt service or maintenance for the multi-
 38 purpose stadium located at 701 Convention Plaza, St. Louis, Missouri; and

39 (5) The director of the department of economic development shall make an annual written
 40 report on behalf of the department to the governor and the general assembly within ninety days of
 41 the end of each fiscal year detailing whether such land clearance project produced a positive net
 42 fiscal impact for the state in the prior fiscal year and projecting the overall net fiscal impact to the
 43 state over the term of such agreement.

44 2. As used in this section, "tourism infrastructure facilities" means structures, fixtures,
 45 systems, and facilities including, but not limited to, convention centers, multipurpose sports and
 46 entertainment venues, exhibition and trade facilities, transportation facilities, cultural facilities, field
 47 houses, indoor and outdoor convention and recreational facilities and centers, playing fields, or
 48 parking facilities owned by any public body and which the authority determines are a contributing

1 factor in the attraction of convention, sports, recreational, transportation, cultural, or meeting
2 activities, either professional or amateur, commercial or private. Such structures, fixtures, systems,
3 and facilities may include, but are not limited to, foundations, roofs, interior and exterior walls or
4 windows, floors, steps, stairs, concourses, hallways, restrooms, event or meeting spaces or other
5 hospitality-related areas, concession or food preparation areas, and services systems such as
6 mechanical, gas utility, electrical, lighting, communication, sound, sanitary, HVAC, elevator,
7 escalator, plumbing, sprinkler, cabling and wiring, life-safety, or other building systems."; and
