AMENDED ANALYSIS

This bill:

I. Requires the department of environmental services and the department of health and human services to establish a data sharing protocol regarding certain health and environmental information collected by each agency.

II. Makes a supplemental appropriation to the department of business and economic affairs for relocation costs.

III. Removes the requirement that recreational vehicles exempt from property taxation have a valid motor vehicle registration and number plate; removes the requirement that campground owners provide local assessing officials with the name and address of recreational vehicles at the campground that fall within the tax exemption; and amends the definition of recreational campground or camping park to mean campsites intended for temporary occupancy for an undetermined or indefinite amount of time.
