Floor Amendment to SB 247-FN-A

1 Amend RSA 540-A:3-a as inserted by section 18 of the bill by replacing it with the following:

2

3       540-A:3-a Testing for Presence of Lead in Drinking Water. Any time a child tests positive for  
4 lead the department of health and human services shall test the water in the unit for lead. If the  
5 presence of lead in the drinking water exceeds the action level established by the Environmental  
6 Protection Agency, the landlord shall notify the tenant or prospective tenant and, shall install on  
7 the kitchen faucet a filtering device certified to reduce lead by NSF International/American  
8 National Standards Institute and follow all standards for the replacement of the filtering device and  
9 cartridges. The landlord shall not be required to maintain or install water filters where the source  
10 of the lead has been removed and the water tests below the action level established by the  
11 Environmental Protection Agency, as verified by the department of health and human services.
