Amendment to HB 582-FN

1 Amend RSA 125-O:19-a as inserted by section 1 of the bill by replacing it with the following:

2

3 125-O:19-a Statement of Purpose and Findings. The general court finds that global climate  
4 change is a significant environmental problem posing a risk to humankind, and that carbon dioxide  
5 is a significant greenhouse gas that contributes to this climate change. Accordingly the purpose of  
6 this subdivision is to reduce greenhouse gas emissions resulting from energy use in New  
7 Hampshire.

8

9 Amend the bill by deleting section 6 and renumbering the original sections 7-8 to read as 6-7,  
10 respectively.
