EXPLANATION – Matter in *bolded italics* is new; matter between brackets ~~omitted material~~ is material to be omitted.

AN ACT relating to the Legislature; revising provisions relating to the training required for newly elected Legislators; changing certain deadlines applicable to the submission and drafting of legislative measures; ~~prohibiting certain~~ revising the number of legislative measures that certain persons and entities may request for drafting; restricting Legislators from requesting the drafting of legislative measures ~~to~~ under certain circumstances; and providing other matters properly relating thereto.

**Legislative Counsel’s Digest:**

Existing law requires newly elected Legislators to attend certain training before the beginning of their first legislative session. (NRS 218A.285) **Section 1** of this bill requires such training to include discussion of major policy issues that are likely to be considered during the ensuing regular session of the Legislature. **Section 1** also requires the Director of the Legislative Counsel Bureau to communicate in writing the dates for training to candidates for election to the Assembly and the Senate for the ensuing regular session of the Legislature.

Existing law requires the Director to provide an electronic copy of a training session to any Legislator who was unable to attend the training session. (NRS 218A.285) **Section 1** authorizes the Director to provide an alternate means of recording the information provided during certain training sessions and requires a Legislator who was unable to attend a training session to complete that session in the manner prescribed by the Director.

Existing law ~~1. (1) allows a Legislator to request a certain number of legislative measures on or before September 1 preceding a regular session and allows him or her to request a certain number of additional legislative measures between that date and December 10 preceding that session; and (2) requires sufficient detail to allow complete drafting of the legislative measures to be submitted on or before December 1 preceding a regular session. (NRS 218D.150) contains provisions governing requests for the drafting of legislative~~

18 measures for a regular session. (NRS 218D.100-218D.215) This bill revises the number of  
 19 legislative measures that various persons and entities may request for drafting and also  
 20 revises the deadlines for making such requests.

21 Section ~~(2)~~ 6 of this bill changes ~~(from September 1 to July 1 the deadline for the request~~  
 22 ~~of a certain number of legislative measures and provides that a Legislator may submit his or~~  
 23 ~~her remaining requests between July 1 and December 10.) the number of legislative~~  
 24 ~~measures that Legislators and the chair of each standing committee may request by~~  
 25 ~~certain deadlines. Section ~~(2)~~ 6 also changes ~~(from December 1 to November 1 the deadline)~~~~  
 26 ~~the deadlines~~ for providing sufficient detail to allow complete drafting of a legislative  
 27 measure. Section ~~(2)~~ 6 further: (1) prohibits a Legislator who has filed a declaration or an  
 28 acceptance of candidacy for election to the House in which he or she is not currently sitting  
 29 from requesting the drafting of legislative measures; and (2) provides that, if the Legislator is  
 30 elected to the other House, any request that he or she submits before filing a declaration or an  
 31 acceptance of candidacy for election counts against the applicable limitation for the House to  
 32 which the Legislator was elected to serve. (NRS 218D.150)

33 Existing law allows each statutory legislative committee and interim study committee  
 34 to request a certain number of legislative measures ~~(on or before September 1)~~ preceding a  
 35 regular session. (NRS 218D.160) Section ~~(2)~~ 7 of this bill ~~(changes that)~~ reduces the number  
 36 of legislative measures that may be requested by the Chair of the Legislative  
 37 Commission and moves up the deadline ~~(to August 1)~~ for statutory legislative committees  
 38 and interim study committees to provide sufficient detail to allow complete drafting of  
 39 their legislative measures.

40 Section 8 of this bill revises the deadlines by which the Governor or the Governor's  
 41 designated representative must submit requests for the drafting of legislative measures  
 42 and increases the number of legislative measures that the Lieutenant Governor,  
 43 Secretary of State, State Treasurer, State Controller and Attorney General may request  
 44 for drafting. (NRS 218D.175)

45 Section 9 of this bill reduces the number of legislative measures that may be  
 46 requested by the city council of a city whose population is 150,000 or more but less than  
 47 500,000 (currently the cities of Henderson, North Las Vegas and Reno). (NRS 218D.205)

48 Existing law authorizes the following entities to submit their own requests for the  
 49 drafting of legislative measures for each regular session: (1) a mental health consortium  
 50 established to develop strategic plans for the provision of mental health services to  
 51 children with emotional disturbance and their families (NRS 218D.215, 433B.333); and  
 52 (2) an interagency committee created by the Director of the Department of Health and  
 53 Human Services to evaluate the child welfare system in this State. (NRS 432B.178)  
 54 Sections 11 and 12 of this bill eliminate the authority of these entities to submit their own  
 55 requests, but such entities still would be authorized by existing law to ask Legislators or  
 56 legislative committees to submit and sponsor requests on behalf of the entities. (NRS  
 57 218D.150, 218D.155, 218D.160)
