AN ACT relating to escrow accounts; revising provisions governing certain disbursements of money from escrow accounts; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Existing law prohibits an escrow agent, title insurer, title agent or escrow officer from disbursing money from an escrow account on the same business day as the money is deposited unless the deposit is made in certain forms of payment which allow for the conversion of the deposit to cash on the same day as the deposit is made, including a certified check which is payable in this State and which is drawn from a financial institution located in this State. (NRS 645A.171, 692A.255) This bill instead requires that, to be eligible for same-day disbursement, deposits made by certified check must be drawn from a financial institution authorized to do business in this State.
