 - (ii) Psychological examiner licensed under § 63-11-201(a)(1);
 - (iii) Senior psychological examiner licensed under § 63-11-201(a)(2); or
 - (iv) Psychologist licensed under § 63-11-201(a)(3);
- (2) "Post traumatic stress disorder" or "PTSD" has the same meaning as defined in the most recent publication of the Diagnostic and Statistical Manual of Mental Disorders;
- (3) "Public safety employee" means any emergency medical worker, or professional fire fighter, who is a paid, full-time employee of a public safety employer;
- (4) "Public safety employer" means this state, a local government, or any other political subdivision of this state that employs public safety employees on a full-time basis; and

(5) "Trauma therapy" means, with respect to victims of trauma, at least one (1) of the following evidence-based trauma treatment practices: trauma-focused cognitive behavior therapy, exposure therapy, stress inoculation therapy, and eye movement desensitization reprocessing.

(c) Public safety employers shall:

(1) In addition to any other behavioral or mental health benefits offered, provide not less than ten (10) visits or sessions with a mental health service provider for the purpose of treating PTSD through the employee's health benefits or otherwise. Public safety employers may require a co-pay or co-insurance for these visits that is no more than co-pays or co-insurance for other health benefits offered by the employer;

(2) Promote the use of a mental health service provider and other behavioral health professionals to public safety employees;

(3) Establish, in conjunction with a mental health service provider, support programs in an effort to mitigate behavioral health issues within the public safety employee community; and

(4) Maintain, and regularly provide public safety employees with, at a minimum of once per year, a list of mental health service providers who are qualified to provide trauma therapy under this section.

(d) Public safety employers shall not engage in the retaliatory treatment of public safety employees seeking or utilizing mental health service providers or behavioral health programs, including, but not limited to, discharge, denial of promotions, punitive work assignments, transfers, or other similar retaliatory actions.

(e)

(1) At a minimum of once per year, a mental health service provider providing services to public safety employees shall participate in training, within the jurisdiction in which the public safety employees work, that familiarizes the

provider with the unique problems associated with each public safety profession lifestyle, including, but not limited to, critical incident response training, critical incident stress management, field exercises such as ride-alongs and visits to fire and emergency medical services (EMS) stations, and similarly appropriate training.

(2) This subsection (e) does not apply to a mental health service provider described in subdivision (b)(1)(B).

(f) Any benefits offered and provided for by this section shall not apply to workers compensations plans under title 50.

SECTION 2. This act shall take effect July 1, 2017, the public welfare requiring it.
