

Chairman Manchin moves to amend the amendment on page eight, section seven, lines three through seven, by striking out subdivision three in its entirety and inserting in lieu thereof, the following:

1 "(3) A process whereby pharmacies are made aware of all drug
2 products that may be sold, transferred or dispensed over the
3 counter that contain less than eleven percent of ephedrine,
4 pseudoephedrine or phenylpropanolamine that can be used to
5 manufacture methamphetamine."
