"(c) Not later than August 1, 2018 each school district shall report to the department of education a five (5) year historical accounting of amounts actually expended on health insurance and retirement by the school district. The reports shall include the number of employees enrolled, the types of plans employees are enrolled in, the deductible amounts being used, the share paid by the school district and any other information required by the department to determine the actual costs of those programs. The department shall compile these reports and transmit the reports to the joint education interim committee by September 1, 2018. By June 1, 2018 the department shall develop the appropriate forms for school districts to use when reporting to the department in accordance with this subsection.". KINSKEY
